

CASA VIETII

Happy new year!

2011 was an interesting year, full of activity, surprises, challenges and blessings. We managed to buy Casa Vietii and finally get it registered into the charity name. We were blessed with many teams who were a great practical and spiritual encouragement for us. Jamie added another son to her growing family. The program 'Healthy Beginnings' in the village of Soard is now well established.

During the year, we were able to minister to many ladies and their families involved in the HB program. In addition, to confidential counseling and praying with our clients, we also provided the following:

- Boxes of Pills: 221**
- Contraceptive Injections: 20**
- Pregnancy Tests: 98**
- Tubal Ligations (sterilizations): 3**
- Packages of material aid: 9**
- Identification Documents: 7**
- Total number of clients: 84**

'IF AT FIRST YOU DON'T SUCCEED TRY, TRY AGAIN!'

As I mentioned in the last newsletter, one of our clients with six children had a house with no roof and very little protection from the outside. Mara's house needed more than a new roof. Praise God and thanks to the kindness of many of you, a team from Tasmania

came and after seeing the state of the house they decided to build a complete house of wood. Unfortunately this wasn't the end of the story. To cut a long story short the house caught fire but the eldest son managed to rescue all the kids. before

the house burnt to the ground. They lost all their belongings and papers. Again thanks to many donations David and Peter Rogers team from Stockport came and rebuilt the house with bricks.

CHURCH IN SOARD RENOVATED

DORCAS GETTING INVOLVED

DRS TEAM

Church and medical room in Soard gets make over.

Helping teams help us.

We were involved in helping several teams last summer. Mary and Hamish's team from Scotland began some much needed renovations and repairs to the interiors of both the church in Soard and the medical clinic. The buildings were insulated and new flooring was laid by the team, paint and fixtures and fittings bought and then the buildings repainted by a team from Tasmania, Australia. The team from Scotland also left sufficient funds to fix the wells in the centre of the poorer area in Soard and to insulate the loft areas in the church and medical room. After the renovations were finished, the church had a celebration to show off the new look, so to speak. Pilu, the

pastor of Manna church in town, reminded us all that we can also have a new start in our relationship with Christ. Several people went forward for prayer to make such a new beginning in their relationship with Christ, which was encouraging, especially for Jamie and Cole who lead the church there.

We also assisted the medical team from Staleybridge, UK that came this Autumn; They held medical clinics in various villages including Boiu, Soard, Secuieni and at Casa Vietii.

Approximatley 200 people were blessed with simple tests that people normally can't afford to have done here like blood glucose levels, cholesterol, blood counts, BP. We were especially blessed to spend some time with Dr Rolea and his wife Claudia. We are now planning another transport with equipment for the hospital.

New fireplace in the medical clinic

Thanks to 'Amen' we were able to finally purchase a heater for the medical room in Soard. Due to the fact that we're only there for a short time we were advised to use compressed wood shavings instead of wood and it works great. The fire burns very hot and heats the room quickly.

OUR NEW ROOF AND STORE ROOM!

Again thanks to 'Amen' ministry, we were able to employ Cole and his team to repair the roof where it was leaking, do the difficult job of extending the roof and finally connect the two buildings. Now we want to put electricity inside, insulate it and then we can move everything from the storeroom that we rent and cut down on our monthly expenses.

We also want to build another bathroom onto our guest room upstairs. Then guests don't have to either go outside or disturb whomever might be living in the apartment to use the bathroom.

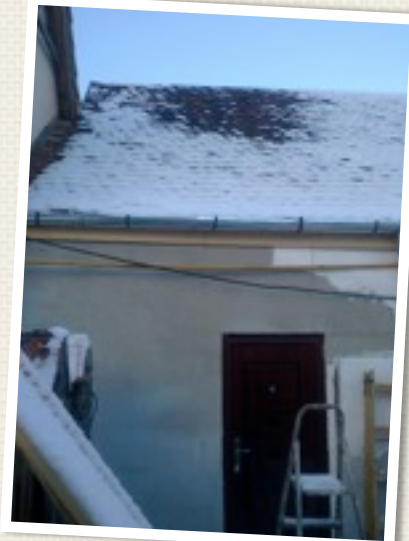

Mak the merc needs attention!

Our faithful van what we use to transport teams is in urgent need of repair. After threatening to pack in all year he's finally gone and done it. The injectors have broken inside the cylinder head so unfortunately it's a pretty big and expensive job. We've found a 2nd hand head for 250 pounds but that's without the gasket, labour, transporting mak to the garage and the injectors but to buy new we're talking more like 700 pounds just for the part. Pray that God will provide the parts to get Mak repaired and back in service.

JAMIE

JAMIE IS SUCH A BLESSING TO THE LADIES AND TO THIS MINISTRY. SHE'S PROFESSIONAL AND EFFICIENT. THANKS TO CHOOSE LIFE IN ALABAMA, WE GIVE HER \$100 A MONTH, BUT FOR A QUALIFIED NURSE PRACTITIONER THIS ISN'T ENOUGH. WE WANT TO APPLY FOR ACCREDITATION FOR THE MINISTRY, BUT THE STATE REQUIRES THAT WE HAVE SOMEONE NOT ONLY QUALIFIED BUT OFFICIALLY EMPLOYED WITH A SALARY TO BE ABLE TO RECEIVE ACCREDITATION. PLEASE PRAY FOR JAMIE'S SUPPORT SO WE CAN APPLY FOR ACCREDITATION AND FOR COLE AND THEIR 2 BOYS.

ELENA

ELENA IS ANOTHER BLESSING FOR OUR TEAM. SHE'S SO RELIABLE AND HARD WORKING. ELENA MADE THE NEW CONTACTS WITH THE PAEDIATRIC HOSPITAL AND HAS STRENGTHENED OUR RELATIONSHIPS WITH THE DRS THERE. THANKS TO ANOTHER MONTHLY DONATION, WE ARE ABLE TO GIVE HER \$50 A MONTH, BUT THIS OBVIOUSLY DOES NOT COVER HER EXPENSES AND IS ONLY A SMALL TOKEN FOR HER TIME AND WORK IN THE MINISTRY. PRAY FOR ELENA'S SUPPORT AND FOR HER FAMILY, HUSBAND MARIUS AND THEIR SON MATEI.

JILL

I AM THANKFUL FOR THE 11YRS I HAVE BEEN IN SIGHISOARA. I STILL KNOW THAT GOD HAS CALLED ME HERE AND I STILL ENJOY THE MINISTRY TO THE LADIES. THOUGH SMALL, WE HAVE A GOOD TEAM AND GOD CONTINUES TO PROVIDE. RECENTLY SORIN AND I HAVE BEEN SPENDING MORE TIME WITH THE PEOPLE IN THE NEIGHBOURHOOD WHERE CASA VIETII IS LOCATED. MANY ARE UNCHURCHED. PLEASE PRAY FOR OUR FAMILY AND ESPECIALLY FOR SORIN AS HE IS HAVING A LOT OF SERIOUS PROBLEMS WITH HIS HEALTH AGAIN.

Romanian office manager for Casa Vietii.

We are seeing more and more the need for a motivated Romanian office manager who can ensure we are up to date with changing legislation, make the forms we need to track our activities, help make the structure we need to advance the ministry, seek European funding and pursue accreditation by the government of the association.

We are praying for the right person to apply for the job

and sufficient funding for their salary (for someone qualified the monthly part time salary will be about 300 pounds including taxes.)

The ladies medical program is going well and we were so blessed and encouraged for Dr Rolea to say that we're making a big difference. He says that the ladies are taking better care of themselves and that there are fewer abortions. That's what we need to hear! Pray for our team daily and that we would be faithful in our service to the Lord.

Many many blessings
Jill and the casa vietii team
