

News from Naphtali in Nigeria – November & December 2007

Dearly beloved,

We bring you seasonal greetings in the name of Our Lord and Saviour Jesus Christ, with hope that His mercies and grace overwhelms you now and forever more.

We thank you all for partnering with us to labour in the vineyard of the Lord last year. This year 2008 by the special grace of God, we have very high expectation for God's work via the dimension God is carrying us. We have several programmes lined up for the year. We will soon draw up the plans for the year and send to you soon.

NOVEMBER OUTREACH

Our yearly November Revival Programme which is usually on the hills (**Agbhor Eggon Hills**) for the Year 2007 tagged "**IN HIS STEPS**" held on Thursday 22nd – Sunday November, 2007. The meeting came with a great expectation which was made manifest at the course of the programme. We actually saw the hands of God at work as a population of about 4,700 people gathered at the hills apart from children who were about a thousand.

The first night of the meeting, 800 people gave their lives to Christ and that continued in the subsequent days. There was a lot of confessions, commitments, restitutions and rededication of lives to Christ. It was indeed a great experiment for many that were in attendance. People from various spheres of life were there, God provided in a tremendous way for the meeting and we attributes all these to your endless prayers, supports and concern for the mission and revival labour in the land.

DECEMBER OUTREACHES

Afterwards, we had a revival meeting in Jos from the 29th-1st December, 2007. It was also a great moment of God's touch in many lives and a turning around, as many people surrendered their lives to Christ.

13th - 15th December 2007, we also had a meeting with the Presbyterian Church in Abuja. God came down expediently to instruct his people. The word of God came to the people afresh as somebody testify that he has not had such word from the pulpit for long now. People wept and pleaded with God for the forgiveness of their sins.

The Christmas period was a quite one, though I spoken in some of the Christmas carol in the villages and towns.

29th -30th December, 2007 was a Christmas and end of year programme with the youth at Alushi Wachukwu in Akun Development Area of Nasarawa State of Nigeria. God brought forth revival to the land as both the youth and old got repented. There were a lot of confessions and prayers for the land in the meeting. The meeting was actually first of its kind in the land as peace and reconciliations were made between the elders and youths of the land.

31st December, 2007 was a cross over night at Kagbu. People from different clans and places such as Nass-Eggon, Lafia, Jos, Abuja and the surrounding villages gathered to seek the face of God and received fresh instructions and directives for the coming year 2008. Prayers of break-through for the land, especially, that of the evasion of witches and wizards was made. Sons and daughters of the land that have run from the land were around to uphold God to restore the glory that has departed from the land long ago. In response to that, brethren in the land are organizing a get-together and Easter Retreat for all sons and daughters staying abroad to come back home for the programme. Right now there is a prayer chain for the land as 2 or 3 people are praying on a daily basis for the revitalization of the land.

JANUARY OUTREACH

5-7th January, 2008. We had a yearly Youth meeting at Burumburum of Agidi Development Area of Nasarawa State Nigeria. 200 people repented. God brought deliverance to the people and the land. We have formed a discipleship class in that land which enables people from all nooks and corner of the village gather forth-nightly for the discipleship meeting. There are brethren interceding for the land daily.

NEW COLLEGE IN OPERATION

Right now in the month of January and February, 2008. We will be up on the hills with the students for a session. The Ministry has a College now called **DIVINE COLLEGE OF MISSION** with about 9 students fully admitted and some others that are on part time basis. We wish to raise the first students for home cell churches. At the end of February, we will be sending them to the field for support.

PRAISES
