

News from the Village Missionary Movement – January 2010

Greetings in Jesus Name. We wish you a very happy new year. May the Lord be glorified in the ministry of AMEN this year.

God has been very merciful to all of us in VMM last year. We praise and give Him all the glory for all the ministries that has been accomplished last year.

Last year we had the emphasis of “The year of humility” and I think we learned something more on that glorious virtue of humility.

This year our emphasis is “The year of evangelism”. By it we will commit ourselves more to personal evangelism and we will encourage our prayer partners and sponsors to do more personal evangelism by our preaching and writings.

Please pray for us as we are moving into this New Year.

Last month by the grace of God we conducted Christmas programs in most of the villages we reach regularly. In our one centre we gathered people from surrounding 8 villages and conducted a Christmas celebration and gospel program. We conducted similar programs in many other areas.

By the grace of God we are able to give Rs.1000 to every missionary and an additional Rs.1000 to each one of the missionary’s families for the Christmas celebration. This is the first year we are able to do this. Also from our tithes we gave dresses to 23 independent village pastors.

Through the Philip gospel team we reached 70 new villages last month.

By God’s grace we have bought a Ford Ikon car.

We are praying and planning to start our missionary work in a northern state. This month a team will go to do survey work and to identify needy places. Please pray that God may guide us in this new endeavor.

On January 26 we have planned to conduct a youth camp. Please pray that many youth to accept Christ. Pray for the needs.

On 22, 23 and 24 of this month we have planned to reach 50 new villages through the Philip gospel team around a town we have not visited before. Almost all the missionaries in Tamilnadu will involve in it. All the four wheelers and two wheelers will be used for this purpose. Pray that the Lord may attest His message with signs and wonders. Also this month we have planned to conduct a outreach ministry among a tribal people.

We immediately need two Herohonda Splendor bikes for field work. We are also praying to buy a Maruthi Alto car for me.

As the ministry is growing in an exponential manner it is an important need. David will use the Ford Ikon and I will be using the Maruthi Alto. So we each can work in different directions.

Please pray for these needs.

On 31 December the AMEN gift of Rs.14676 has reached us. We praise God for the donors who gave it.

We thank all the friends in AMEN.

One emergency prayer request:.

Last month God gave to our missionary couple Alagarsamy and Anitha a boy baby. From the first week of his birth he is having problem. Yesterday as he became serious we admitted in a hospital. After going through MRI scan the doctors have found some abnormalities in the brain. They have recommended further tests and treatments immediately. They have been notified that the treatment will cost around Rs.150,000 (£2027). Please pray for the child. Share this urgent prayer request to AMEN partners.

May the grace of Lord Jesus Christ be with all of us.

Yours in Christ,

Santhosh.
